

What joy, to be of human birth! We've made this world our home more

5 deep-ly than all life on Earth that we al-low to roam. Our hu-man rights and

10 peace al-low us time to sing this tune and gave us where we're sing-ing now and

15 foot-prints on the Moon! And there-fore on-ly we a-mong all life on Earth should

20 ask: what led us when we grew so rich we take our world to task?
